2. Visit of SPPUTA members to your office along with Hon. members of legislative assembly, Dr. Sudhir Tabme and Jayant Ajgaonkar

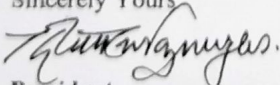

**Subject:** Regarding the sanction of leaves of the SPPU University Teachers as per old statutes

Respected Sir,

Our university has repealed the earlier statute and there is no statute in force to regulate our service conditions. Our university is not giving Medical, Duty and Earned leaves since March 2019 to the teachers on campus. Some teachers were given without pay leaves during COVID as they did not have medical leaves left on their account. The situation of University campus teachers is very pathetic, now they have only Eight casual leaves in an entire academic year. Many of the academic activities are halted because of this grave situation. There are many teachers who have joined after 2016, do not have any medical or earned leave on their account.

We the members of the Savitribai Phule Pune University Teachers Association have met you along with Hon. members of legislative assembly, Dr. Sudhir Tabme and Jayant Ajgaonkar on. (17<sup>th</sup> June 2022) regarding the leaves of the University Teachers. You had discussion the with Hon. Vice Chancellor on Phone regarding this issue and asked to continue the earlier statute guidelines till the next statute comes in force. But, unfortunately our administration has not done anything in this regard, they are asking us to bring a letter from your office in this regard.

We hereby request you to give written instructions and guidelines to SPPU authorities to implement the old statutes till new statute comes in force and grant the leaves accordingly.

Thanking you  
Sincerely Yours  
  
President

Savitribai Phule Pune University Teachers Association.
